Dear Norman:

On behalf of the board and staff of the Lower Manhattan Cultural Council, I would like to thank you for your crucial role in the Fete de la Musique events presented by the Lower Manhattan Cultural Council.

Your concert for 40 saxophones was a delight, as response from the audience, the sponsors and the press has shown. Your efforts made an innovative and challenging sound accesible to a large and diverse audience. Such artistic risk taking and communication is certainly what we attempt to accomplish in all our public performances.

Thanks again.

Best Wishes,

Kevin Duffy
Associate Director
